

Daryl Adonis Thompson

(404) 299- 8086

A Biographical profile

Acclaimed as a guitar virtuoso with a vast amount of experience encompassing a variety of musical styles, Daryl Adonis Thompson began studying music under the supervision of his father , Eli " Lucky " Thompson (Master Jazz Saxophonist) at the age of three.

During his college years , Daryl was a student of the great jazz guitarists Chuck Wayne And Pat Martino .

Daryl has since increased his musical repertoire by touring and recording with some of the most outstanding artists in the Jazz, Rock, blues, and reggae fields of music.

As a composer, producer, and music teacher at the college level Daryl Adonis Thompson has devoted his life to the craft of music.
